Mr. John M. Oliver,
30 Rochelle Street,
Springfield, Mass.

My dear Mr. Oliver:-

I meant to ask you when at the Convention to let me have an extra Rochester Convention badge for the Society's cabinet. If you have one to spare, could I have one, or does Wawgar handle this? It strikes me that it would be a good idea to boom as much as possible the regular convention badge with the bars. Very little effort has been made to sell these the past few years, and if all the members who have gone to the Conventions, say the past few years, who have not already bought these badges, were written a personal letter, I think good results could be obtained, and then at next year's convention have several medals on hand so that new members could get them. This is the way it used to be done in previous conventions.

Very truly yours,

The American Numismatic Association
